Always Readysm for you

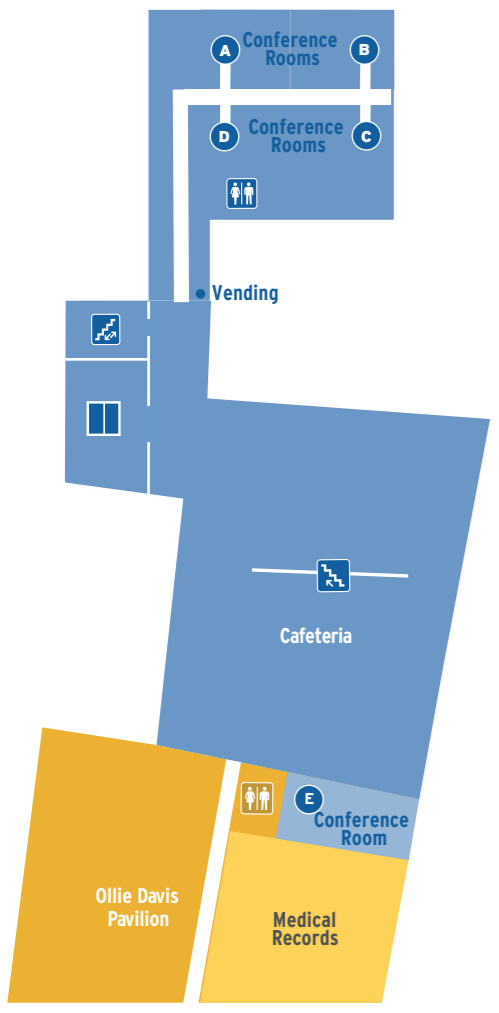

Our newest hospital, the Indu and Raj Soin Medical Center, opened its doors in 2012. Conveniently located off I-675 north of Route 35 in Beavercreek, Ohio, we serve Greene, western Clark, eastern Montgomery and Miami counties.

Our serene, hotel-style environment is specifically designed to promote peace and healing. Services include emergency care, maternity, heart, surgery, and radiology.

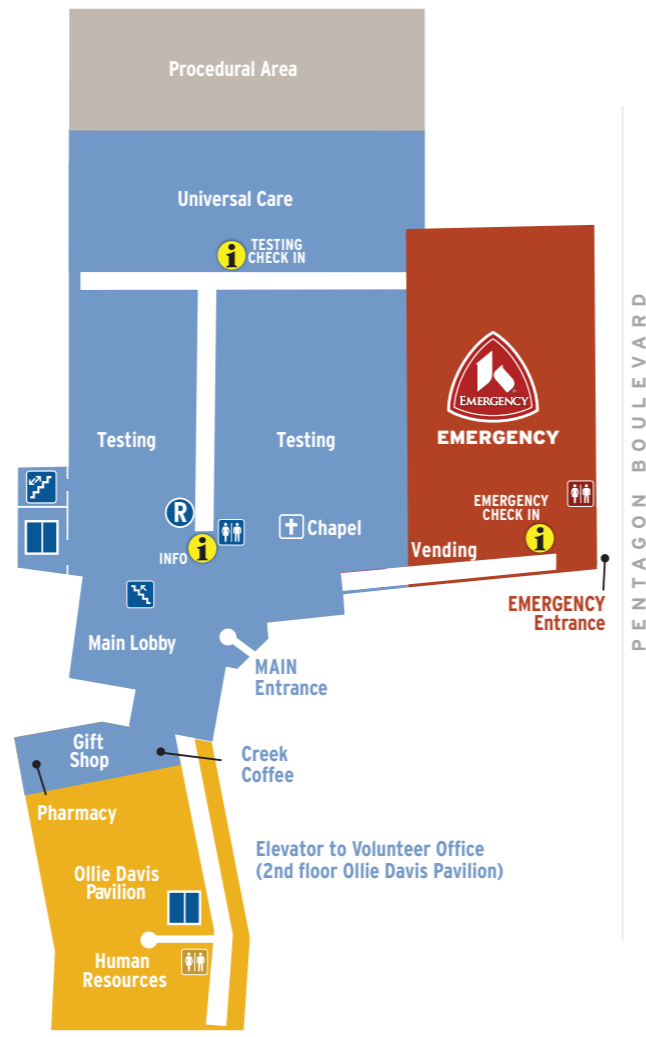

The innovative Get Well Network entertainment system provides a new level of service to our guests. The interactive TVs, found in each patient room at Soin, let patients watch cable TV and movies, surf the Internet, play games, and access a complete library of health information. Patients can even shop at the gift shop and fill prescriptions through their TV.
